Retreat Themes

Restoration

&

Renewal

“They will rebuild the ancient ruins
and restore the places long
devastated;

They will renew the ruined cities
that have been devastated for
generations.”

-Isaiah 61:4

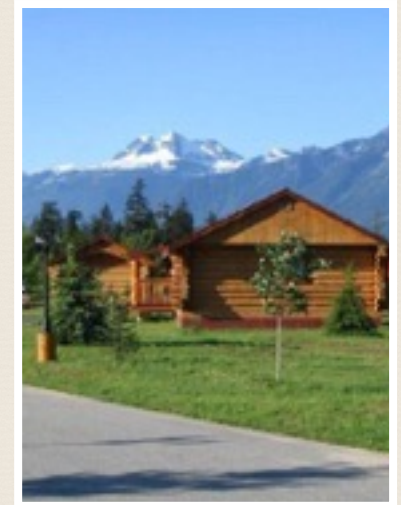

“I have a passion for the
marginalized of this world, and a
deep hunger to see the church of
Christ in North America
experience spiritual renewal. I
believe these two are connected,
and that paying attention to one
will result in the other. I have been
unmistakably called by God to give
my life to these two things.”

-Charlene Stinson

Meet Our Keynote Speaker:

Charlene Stinson

Charlene currently provides leadership within the organization Hungry For Life. She studied music at the University of Alberta, followed by Biblical Studies at Briercrest Bible College. She then entered the world of business, where she worked primarily in human resources and development for more than 16 years. Following that, she held the position of Pastor of Worship & Creative Arts at Chilliwack Alliance Church. Charlene was instrumental in the vision and beginning of Hungry For Life. As a gifted musician and worship leader, she has led the Shekinah Band for more than a decade, and continues to lead worship at many conferences and events, both large and small. She is also an effective and experienced retreat and conference speaker. Charlene is married to Gerry, who is also a part of the HFL Global Leadership team.
